FMI to Commence Trading on the Yangon Stock Exchange

Yangon, 14 March 2016 - Today we are pleased to announce that First Myanmar Investment Co., Ltd. ("FMI" or "Company") has received approval from the Yangon Stock Exchange ("YSX") to list its shares on YSX. The shares will commence trading on YSX at the opening of the market on Friday, 25 March 2016.

On this occasion we would like to express our sincere gratitude to our shareholders, partners and customers for their ongoing support. We also thank the Securities and Exchange Commission of Myanmar, the Ministry of Finance, and YSX for their trust in our Company.

"FMI is honored to be the first company to receive approval for a listing on YSX," said U Theim Wai @ Serge Pun, FMI's Executive Chairman. "This is a significant accomplishment and milestone for us. We see the YSX listing as an opportunity to provide greater liquidity to our investors, while giving us increased market recognition and access to capital. We are also proud to support the development of capital markets in Myanmar."

Shareholders who have already opened an account with a licensed securities company will be able to trade their shares on YSX. Those without a securities account will need to open one before they can trade.

Alongside the listing approval, FMI's Disclosure Document for Listing, which outlines the Company's strengths and future strategies as well as our financial performance, has been released. This document can be viewed on the YSX website at www.ysx-mm.com or the FMI website at www.fmi.com.mm.
